COMMUNITY
REPORT
2018•2019

FROM THE FOUNDATION PRESIDENT

Jimmy Grant, President
Grant Insurance

The mission of the Birdville Education Foundation is to enhance innovative learning and support the educational excellence of Birdville ISD.

I am proud of the great work this board has achieved in recent years under the leadership of our immediate past president, Doug Terry. During his tenure, we developed a strategic plan that will take us into a new decade of community and corporate engagement to support our mission to enhance innovative learning and support the educational excellence of Birdville ISD.

Through a new approach to funding, the Education Foundation raises and awards private funds and community resources through the **Best for Birdville** Annual Campaign. Every dollar contributed through the annual campaign is given directly to classrooms and campuses through the Innovative Teacher Grant program. In 2018-2019 the Education Foundation awarded over \$122,000.

Once again, the Foundation was a major sponsor of the Golden Gala, celebrating the educators in our district and the Teachers of the Year. Fulfilling our mission to support the educational excellence of Birdville ISD, the Foundation participated in Discover Birdville and Birdville Reads. These community programs showcase why BISD shines and is ranked as a top school district in Tarrant County and Texas.

As we look forward to the future, we will continue our commitment to attract new donors, administer the Innovative Teacher Grants, and grow the Foundation's investment in our students and staff.

Thank you for being a part of our success. Together, we make a difference in the lives of our students, teachers, and families in Birdville ISD.

Jimmy Grant
